Yosemite Permission Slips Due by May 14th

We are excited to be offering Yosemite National Park as our destination for this year's camping trip. Because of the driving distance, the trip will be a **four-day event**. We will be leaving WCS early on Sunday, June 1st and returning Wednesday evening, June 4th. We will need the forms returned to WCS by Wednesday, May 14th. We extended the deadline for permission slips due to the STAR testing schedule. We are asking for \$30 to help cover the cost of the campsite and food (about nine meals). If this fee is a financial hardship, you may contact the office to apply for a partial scholarship. Remember, students on academic/behavior probation will not be allowed to participate. Call Carol if you have any questions. 459-5506

Progress Reports will be going out soon (maybe tomorrow!). This is the last progress report before the final report card in June. There are only 20 more days of school left! Amazing, huh?!

Urgent call for tissues! The sniffle season isn't over. Now it's allergy time!

HAPPY MOTHER'S DAY!
