We are proud of each & every one of you!

### Missing iPod

A blue iPod was reported missing on April 20<sup>th</sup>. If you see this iPod, or know of its whereabouts, please call Sally or return it to the school. No questions asked. I know that whoever has this, knows that it does not belong to them. I would hope that our students could feel that their personal property is safe at school. Over the past 8 years we are proud of the fact that we have had very few instances of theft at WCS.

**Please help us return this iPod to its rightful owner.**
