**Parent/Student Survey**  
 If you haven't filled out the 2007 parent/student survey, you can pick up a copy in the office. We value your input about your experiences at WCS.

**Congratulations to James Warner!**  
 James won the Hefni Achievement in Science award & a \$500 check at the California State Science Fair in Los Angeles. His project tested whether reflecting sunlight onto solar panels changes the amount of energy produced by the solar panel.

**SUMMER JOBS**

We need you & your paint brush & your brooms & your carpet shampooers & your pickup trucks & your mops, etc, etc. You get the idea. We really depend on you for much of the school's maintenance and repair. We would like to give the school a complete cleaning and sprucing up. Get a jump on your parent hours for next year or finish up with those that you still owe. Call Carol to get the skinny on the cleanup chores.

## CAMPING TRIP

WCS campers will be venturing to Van Damme State Park south of Mendocino on Wednesday and Thursday for the annual camping trip. Students who are not going will have school as usual.
