WELCOME BACK!!

Willits Charter School will begin its 9th year this week with our largest enrollment ever! We are full with a waiting list in most grades.

We have hired one new teacher this year to round out the science department. Erin will only be working half time as she & her husband, Guy await the arrival of their first baby in early November. Rick Hewett, recently transplanted from Bakersfield, will be teaching 6th and 8th grade science, chemistry, economics, prealgebra and will also meet with a few of our independent study students. Welcome Rick!

Alert! Alert! Alert! Alert!

It has come to our attention that there are a number of registered sex offenders living in Willits. While the school cannot post flyers because of harrassment, I would advise parents to go online and check the Meganslaw.ca.gov website. Show the photos to your children and teach them about how to avoid becoming a victim.
