

# Welcome Back!

School is back in session at our beautiful new location. Yes, there have been a few glitches but overall it's been great! Thank you to all of you who have contributed time, resources and money for our project. Everyone has expressed wonder at the transformation. But (there's always a but) there's still more to do. If you a little time please call for a list of jobs.

**REMEMBER: No School on Monday, September 7<sup>th</sup>**

## ☹️ TRAFFIC TROUBLES ☹️

We're having traffic troubles with cars (mostly in the afternoon for the pickup). If at all possible, please stagger your pickup or ask your student to meet you around the corner on Baechtel Rd or the Burger King Parking lot. Next week there will be tutorials after school so the backup might lessen. Please be sure to pull as far forward as possible during drop off & pickup so others can pull into the lot. We are planning to have the lot resurfaced and re-stripped in an effort to make the traffic flow more obvious. Thank you for your attention to this very important safety matter.

ANNUAL SPRING FLOWER BULB SALE FORMS COMING SOON!  
HELP THE SCHOOL AND BEAUTIFY YOUR YARD ALL AT THE SAME TIME!

Work Party this Saturday beginning at 9AM. We need dump runs, recycling, exterior painting, locker painting, room cleaning, setting up the garden and greenhouse, etc, etc. Come join the fun and be part of the excitement of this new facility.
