Willits Community Services & Food Bank Fall 2007 All-Schools Canned Food Drive November 5th -21st

Please bring any canned fruit or vegetable donations to the school during the canned food drive. Place them in the donation bin near the office. Thank you. Your donations will assist in providing emergency and supplemental foods to low income families in our community. Let's fill the barrel!!

Another MISSING iPod!

Another iPod was reported stolen from a student on Friday, 11/9. It is black with a pink bear sticker on the back. If you see it, or know of its whereabouts, please return to Salena or notify the office. If this theft problem continues, maybe we should ban iPods and other MP3 players from the school. It's discouraging that people can't leave others' property alone or help us find the owner.

Early Dismissal on Tuesday, November 20th at 2:20 PM Happy Thanksgiving!

e-Scrip, anyone?

Have you signed up for e-Scrip yet? We've only gotten 5 new enrollees so far this year, and I know there are more than 5 new families at WCS this year! Please come in and fill out the e-Scrip form. It's a painless way for you to "donate" to the school without digging into your own pockets.
