

**Field Trips Galore**

The 8<sup>th</sup> grade went to San Francisco and experienced staying in a hostel, visiting Alcatraz and spending 2 whole days with each other.

Unfortunately, at the same time was the school camping trip. We were a little concerned about the weather, but it worked out beautifully. We went to Richardson Grove this year and all had a great time.

The seniors went to Six Flags this past Monday and they are all a little tired today but they said it was fun.

We want to say thanks to all the parents who chaperoned, planned, and executed all these trips. We all have busy lives but it is important to stay connected to your children through these events....

So Thanks so much... WCS Staff

**Senior Graduation  
June 8, 2006  
Community Center  
5:30-7:00**

**Don't forget to have a great Summer**

**A Fond Farewell**

For those of you who have not heard, Mary is leaving Willits Charter School after nearly three years of working here. Mary was instrumental in creating our discipline system and refining our new data base program, not to mention being the Jake (Jane?) of all trades keeping the many facets of our office running smoothly. We can't thank her enough for organizing the end of the school year field trips. We will miss Mary and wish her the best in her next endeavors in life.

Sally & Jason

**Good-Bye**

I just wanted to let WCS and all the families of WCS, how much I have grown, learned, and changed during my time here. Each and everyone have you, including all the students, have taught me many invaluable lessons. There is no better place to learn and grow than in a school.

I want to thank each and all of you for all that you have brought to me and all that you have done for the students (especially the staff and teachers), whose dedication to "growing future adults" is so inspiring. Thank you.

Mary
