

THE MORE NEWS NEWSLETTER!!

LOST CLOTHING:

Are you missing any of your child's clothing? There is a large bag of unclaimed jackets, sweatshirts, hooded shirts, other shirts, and even a pair of tennis shoes that have been collected from the hallway over the past 2 months. If these clothes are not claimed by the end of this week, they will be sold at the spring yard sale. They will be in the office for you to check for any missing items.

COMPOST ANYONE??

As you can imagine, WCS creates a lot of food waste. Does anyone want it for chickens, pigs, or ? Call the school to set up a pick-up schedule.

2007-08 WCS SCHOOL CALENDAR

The staff and board are preparing to set the calendar for the next school year. How important is it for you that WCS "match" the WUSD calendar? We are considering a holiday on March 21st and March 24th (a 4-day weekend that would include Good Friday and the day after Easter). How does this sound? The WUSD calendar has a holiday on March 14th and March 24th (2 3-day weekends). Other differences are starting date and ending date. If you have any comments please come to the board meeting or send your comments to the board.

NO SODAS OR ENERGY DRINKS IN SCHOOL??

The WCS Board of Directors is considering a ban on the drinking of sodas and energy drinks inside the school. Besides the obvious health issue, lately there have been a number of incidences of spilled sodas on the carpet and floor when students leave their drinks unattended. Students would have to drink and dispose of their drinks outside of the building. Come to the board meeting 2/15 at 4 PM if you would like to take part in the discussion.
