

WCS Summer Face-Lift

Many of you helped with the recent summer renovations. A **huge** thank you to all of you.

The front entrance landscaping was redone. The old junipers were torn out and new plants were planted with bark covering and drip irrigation. Bricks were laid beside the entrance and the cement benches were placed there for students to rest. Sparetime Supply, Mendo Mill and Dripworks all donated to this major project. Please be sure to give them your thanks.

The other major renovation was the installation of the new floor in the hallway and stage room. The old parquet flooring and old tile was replaced with new vinyl tile. It looks great and has brightened the school.

There were many parents who spent hours here getting ready for school to open. I don't want to mention names for fear of forgetting someone. Rest assured we appreciate all you do for us.

WELCOME BACK!!

Willits Charter School began its 8th year this week with our largest enrollment ever! Our middle school is full (with a waiting list) and the high school is full in grades 9 & 10.

We have hired a new office manager and volunteer coordinator. Her name is Susan Cinek. Many of you have probably heard Susan's friendly voice on your phones asking for help.

We have also hired two new culinary arts teachers, Cristin Nelson and Marie Conner. Cristin is the brunch/lunch lady and Marie is the baking teacher. They are working hard to provide a healthy, varied menu. If you have any garden produce, bring it on! Please send your student with lunch/brunch money or buy a card for a week's worth meals in the office. We do not allow charges for meals.
